

Directions to Stoney's Dell

Follow signs to New Inn

Once in New Inn, take a right up the hill past New Inn Nursing Home, signed to Llandegfedd Reservoir, and continue following signs to the reservoir.

Once at the reservoir, follow the road along the dam, then up the hill past the reservoir until you come to the car park on your left hand side.

Stoney's Dell is accessed on foot from a gate on the right hand side of the road just past the reservoir car park.
