## Islwyn Parc Scout Site

Islwyn Parc Scout Site is marked with a blue diamond, just left of centre. (ST 203977)

Take the A472 to Crumlin. At main junction (A467) turn right and immediately left over the river. Turn immediately left into Main Street and again immediately right into Hilside. Keep going up the hill for about 1 mile. Turn left, by the factories, (probably signed Old Treowen) and continue for about ½ mile. Scout site is on left.
